Education 115C	7.00
Education 115D	7.00

Full payment of all expenses is due on or before registration day of each term. This includes all previous unpaid obligations.

Members of religious communities receive a forty per cent tuition discount during the academic year.

RESIDENCE

Board and small double room, per year . . . \$1,200; per term \$600
Board and large double room, per year . . . 1,280; per term 640
Board and single room, per year 1,350; per term 675
Board, single room, private bath, per year. 1,450; per term 725
Board and room, Interterm only 150

A guest rate of \$8.00 per day is required for residence during vacation periods.

An advance payment of \$100 is required for a room reservation. \$75 is applied to the student's account for the first term; \$25 is retained from the first payment as a room deposit (to be applied against unusual cleaning and damage costs) until such time as the student discontinues residence.

Students already in residence make an advance deposit of \$75 for priority in requesting a room for the following year.

Rooms are reserved for the year. Room assignments are made in the order of the receipt of the reservation payment.

Advance payment is forfeited if notice of withdrawal is received after August 1. Room deposit is forfeited if notice of intention to withdraw from residence is not given to the director of residence prior to the close of the Fall Term.

REFUNDS

All students complying with the procedures established for withdrawal from the college or from a course are entitled to a refund according to the following scale:

<u>Period of Time</u>	<u>Refundable</u>
During first week (tuition)	100% minus \$25 administrative fee
During first week (room and board)	75%
During second week (tuition, room and board)	75%
During third week (tuition, room and board)	50%
During fourth week (tuition, room and board)	25%
After fourth week	0

The date on which the notice of withdrawal is filed with the Registrar's Office is used to calculate the amount of refund of tuition and/or room and board. Refunds will be first credited against a student's financial aid, if any, before a balance accrues to the student. No refunds will be made for fees.

Refunds will not be made in cases of suspension or dismissal.

When outside agencies, grants, scholarships or loans do not cover the withdrawal or change of unit charge, the individual will be responsible for the amount due.

NOTE REGARDING INTERTERM

For full-time students no additional charge is made for Interterm; consequently, no refund will be made to anyone not attending. The tuition charge for the first half of the academic year which is paid in September covers the Fall Term and Interterm. The second half of the tuition charge for the academic year which is paid in February covers the Spring Term. For a full-time student entering the college for the first time after Christmas, payment for the Spring Term includes Interterm. Payment is made at time of registration. No refund will be made if the student does not attend Interterm.

The same policy applies to room and board charges. Since additional charges are not made, no refunds will be made.

Students who come to the college only for the Interterm and come outside the established exchange process will pay the regular per unit tuition and the board and room fee established for the Interterm.

A maximum of four units may be taken during an Interterm session. These units are not computed with the 12-17 units which a full-time student is allowed to take during the Fall Term or during the Spring Term.
